Based on your previous academic, extra-curricular and work experience, how will you be able to contribute to the group?

The UOIG takes on average 40-60 hours per term in meetings and research, thus time availability is very important. Please list any extra-curricular activities and/or jobs that you are involved in and how much time you spend on them.

What are your future aspirations? How do you plan on achieving those goals?

Note: Listed courses are not prerequisites for application or membership.
